Time: 1300

Members: Dale Picardat, Chm

Legal representatives for the Airport authority has never been under contract. Therefore, it was felt that the Board should consider a proposal for future contracting of this position..

The City of Manistee has not had a new contract for Legal support since 1993. This proposal was made available to the Committee for guidance. The County did not have one seeing they use the Prosecutor.

Committee discussed unique legal needs for the Airport Authority relating to FAA and State airport issues, i.e. airline negotiations, FAA concerns on property ownership, State management of airports, etc.

Methods of bidding/advertising were also discussed.

Barry Lind offered to contact FAA and State representatives who could provide assistance. After contacting these personnel he would draft an RFP for review at the next meeting.

Meeting adjourned at 1330.
