- Current Budget – As of July 31, total costs for the PA69 Recycling program are running \$2,817.31 more than total costs in 2013. Costs for June and July were lower by \$666.02 and \$288.62 respectively, than costs for June and July 2013.
- Business Recycling Sponsors – during the course of presenting at Township Board meetings over the past month, feedback has been provided by local business owners regarding their interest and willingness to provide financial support to the recycling program in exchange for use of the sites. It is proposed that Sponsorships begin at \$250 and in exchange the business will be named on the Message Centers at each site and recognized on the Manistee Recycling web page. Logos could be displayed at the sites for higher level sponsorships. Promotion of the sponsorship opportunity began with the August e-newsletter and will continue as contact is made with businesses to educate them about new PCA trailer coming in September in Kaleva. Some sponsorship funds will be used for design and purchase of promotional materials, such as window sticker/cling, message center signage, etc.

Operations

- A small storage box has been built and set in place at Kaleva/Maple Grove recycling site for use by the site monitor to store partial bags of contaminants pulled from bins until they are full and ready for pickup.

Other

- Volunteered at Household Hazardous Waste Drop-off day on Saturday, August 16 from 9am – 2pm. Turnout was lower than previous year due to inclement weather.
- October Green Team meeting – date conflict
