### PROOFREAD INVITATION

Ms. Schmeling, Administrative Secretary, reported that the Invitations for the Twelfth Regional Summit (Appendix A) will be placed on County Commissioner letterhead with the agenda printed on the back of the invitation. An RSVP form will also accompany the invitation for participants to return with their reservation and fee.

The invitations are scheduled to be mailed after Friday, August 14, 2015.

### PROOFREAD AND FINALIZE THE AGENDA

The agenda (Appendix B) was reviewed and critiqued. The review of spelling in the invitations was proofed as well as the request to spell out the names of the agencies rather than the

acronyms. More detail is needed on some of the segments of the agenda. Each segment should have the name and district number of the County Commissioner, the name and title of the speaker and the title of the subject to which they will speak.

The appropriate County Commissioner will be contacted by Ms. Schmeling to get the details needed so the final proof can be completed by the next Regional Summit Committee meeting.

### **OTHER ITEMS FROM COMMITTEE MEMBERS**

Mr. Kaminski received an email (Appendix C) from Jim Drazo of the Greater Bear Creek Watershed. Mr. Drazo expressed interest in speaking at the Regional Summit. However, the agenda is already full. **Subject:** 2015 County Forum

Good Morning Tom,

I am contacting you on behalf of the Greater Bear Watershed, and our neighboring watersheds. We are very interested in having a place on the agenda for the upcoming Manistee County Forum. In the recent past, the Greater Bear Watershed had its watershed plan approved, the Arcadia - Pierport plan in progress and will have a public presentation of the plan on August 6. Portage Lake has a best practice plan in place, and the Little Manistee River Watershed is in the beginning phases of plan preparation. And, the Little River Band is very active in watershed protection.

Since the new county strategic plan recognizes natural resources as vital to the county's quality of life and economy, local watershed representatives would appreciate an opportunity to acquaint local governmental leaders with our watersheds, give a capsule presentation on the plans, and answer questions. Watershed protection is a cornerstone to natural resource protection and promotion.

We look forward to an opportunity to make a presentation.

Jim Draze,  
Co-Chair, Greater Bear Watershed Coordinating Committee
