Airport Land Lease/Transfer Agreement

Lease Agreement between the Manistee Blacker Airport Authority, a body corporate under the provisions of Act 206, Public Acts of 1957, as amended, of the State of Michigan, of 2323 Airport Road, Manistee, Michigan 49660, hereinafter referred to as the "Authority" and Ryan Shively, of 412 Elm Street, 4395 W Fox Farm Road, Manistee, MI 49660, who is hereinafter referred to as the "Lessee", this Agreement to have an effective date of December 1, 2019.

- 1. Term and Rent. The Authority hereby leases to the Lessee, land at the Manistee Blacker Airport upon which the former American Boxboard Hangar (the "Hangar") is located. This Lease is for the land constituting the current footprint for the Hangar (60 feet by 36 feet) and Hangar Apronalong with an additional four (4) feet on the North and South sides of the Hangar, fifteen (15) feet on the West side and six (6) feet on the East side for a total area of Sixty-eight (68) feet by Fifty-seven (57) feet. This land lease is for a period of thirty (30) years, subject to the terms and conditions of this Agreement. Rent shall be as follows:
- A. \$1.00 per month, payable in advance, for the first fifteen (15) years of this Agreement;
- B. For the final 15 years of this Agreement, rent shall be paid by Lessee on an annual monthly basis, in advance, in accordance with the then applicable <u>Airport Authority land lease</u> rates rental charges for hangars equivalent to the Hangar located on the property being leased.

Should Lessee fail to make any rent payment when due, Authority may send a Demand for Possession in accordance with Michigan law and require that Lessee make payment for any accrued and unpaid rent within 7-days of the Demand or the Lease and Lessee's right of occupancy shall terminate. The first rent payment shall be due on December 1, 2019 (to be paid

upon the signing of this Lease Agreement) and subsequent rent payments shall be due on the same day of each month thereafter. Rent payments are delinquent if not received by the Authority by the date due.

- 2. <u>Purpose.</u> The purpose of this Lease is to allow the Hangar that currently is located on the land being leased, which Hangar has been sold to Lessee by the Authority under the terms of a Bill of Sale executed by the Authority contemporaneously with the execution of this Agreement, to remain in its current location.
- 3. <u>Utilities.</u> The Lessee is responsible for the payment of all utilities in relation to the Hangar purchased and the land leased. Further, Lessee is responsible for the securing of separate electricity to the property leased, including a separate meter for recording and billing of electricity used.
- 4. Hold Harmless. The Lessee hereby acknowledges that he has inspected the property leased herein, and that he is aware of and accepts it in its current condition. Lessee further agrees that in consideration of this Agreement, he will save the Authority harmless from any loss or damage caused because of the condition of the Hangar or land leased, and that he will save the Authority harmless from any loss or damage to his person or property or for any injury or damage to other persons using the Hangar, his airplane or the land leased. Lessee agrees that he shall assume all responsibility to insure the Hangar and all property stored in the Hangar and assumes all liability for damage to said property or personal injury to Lessee and his guests associated with the occupancy of the leased premises and shall hold harmless the Authority from all said liability. Lessee shall maintain, at his cost, an occurrence type policy or policies of general liability, bodily injury/property damage insurance with respect to his use of the leased premises, with liability coverage limits of not less than One Million Dollars (\$1,000,000.00) per

person and Two Million Dollars (\$2,000,000.00) per occurrence, exclusive of defense costs, and without any provision for a deductible or self-insured retention. Lessee shall furnish Authority with certificates or other evidence listing the Authority as an additional insured on said insurance policy and providing that Authority shall be notified in writing at least thirty (30) days prior to cancellation or any material change in or renewal of the policy.

- 5. <u>Improvements.</u> Lessee further acknowledges that this Agreement is dependent upon certain specific improvements that Lessee is to make to the Hangar transferred by the Authority to him under separate Bill of Sale and in accordance with the schedule of improvements provided in this paragraph.
- A. Electric service shall be updated such that Lessee's electric use shall be separately metered and paid by Lessee, said update to be completed within one year of the effective date of this Agreement;
- B. Lessee shall complete foundation repairs and weatherproofing of Hangar within two years of the effective date of this Agreement;
- C. A new hangar door, with electric lift, to be installed within five years of the effective date of this Agreement;
- D. Hangar exterior and roof to be repaired and painted, in a color approved by Authority, within ten years of the effective date of this Agreement;
- E. Interior of Hangar to be improved and painted, and window replaced, as approved by Authority, within fifteen years of the effective date of this Agreement;

Lessee has agreed to make certain financial commitments to the improvement of the Hangar transferred to him by the Authority under separate Bill of Sale. Lessee shall show his

financial commitment outlined below through the submission to the Manistee Blacker Airport Director of paid receipts from building materials purchased or third party labor payments associated with the improvements he is undertaking to the Hangar.

- A. \$4,000 to be expended within one year of the effective date of this Agreement;
- B. \$6,500 in total* to be expended within two years of the effective date of this Agreement;
- C. \$30,000 in total* to be expended within five years of the effective date of this Agreement;
- D. \$35,000 in total* to be expended within ten years of the effective date of this Agreement; and
- E. \$40,000 in total* to be expended within fifteen years of the effective date of this Agreement.
- * "total" includes expenditures from prior years.

The improvements and expenditures required under this Section 5 are express conditions of the terms of this Agreement. Failure of Lessee to comply with the terms of this Section 5, in accordance with the required timetable, shall be considered a material breach of this Agreement.

- 6. <u>Sublet.</u> Lessee further agrees that he will not sublet any part or portion of the Hangar or land leased, nor will he sell or assign this Lease Agreement or his rights hereunder, without the prior written consent of the Authority.
- **Compliance with Law.** Lessee further agrees to abide by any rule or regulation of the Authority or any other State, local or Federal Agency, in regard to his use of the Hangar, land leased or his airplane at the airport, and Lessee further agrees that any law, rule or regulation of the Authority or any State, local or Federal Agency shall be considered as incorporated herein

and a part of this Agreement in a like manner as if such laws, rules and regulations were repeated here verbatim.

- Lien. To the extent permitted, Lessee agrees to grant to the Authority a garage keeper's lien as security for any unpaid rental obligation provided herein as may be authorized by the Aeronautics Code of the State of Michigan, MCL 259.205 et seq. Lessee further agrees and acknowledges that the Authority shall have the rights and privileges of an "owner" as set forth in the Michigan Self-Service Storage Facility Act, being MCL 570.521 et seq. With respect to the Hangar transferred, Lessee shall not permit the placement of a lien against said Hangar or land leased under the Michigan Construction Lien Act, being MCL 570.1101 et seq. or any other law.
- Default. Should Lessee default under any of the terms of this Agreement, including the improvement and financial commitment required in Section 5, said default shall be considered a material default of this Agreement. Should Lessee default in any provision of this Lease Agreement, the Authority shall provide Lessee with written notice of the default and provide Lessee with thirty (30) days to cure the default. Should Lessee, after being provided notice of default, fail to cure the default in the time provided, this Lease shall terminate and Lessee shall vacate the property. Notwithstanding the above language, default, and the right to cure a default, for nonpayment of rent shall be controlled by the language in Section 1.
- 109. Transfer of Hangar. Should Lessee default under the terms of this Lease and vacate, or be ordered to vacate, the leased premises, the Hangar, after inspection by the Authority and at the Authority's option, shall remain and all right, title and interest in the Hangar shall transfer from Lessee to the Authority. Should the Authority determine that it does not desire the transfer to it of the Hangar, the Hangar shall be removed and disposed of by Lessee, at Lessee's cost. Further, at the end of the thirty-year term of this Agreement the Authority shall have the right, at its

option, to require the transfer by the Lessee to the Authority of Lessee's right, title and interest in the Hangar by appropriate bill of sale for the sum of \$1.00, or require Lessee to remove and dispose of the Hangar.

- 110. Costs. Should the Authority be required to undertake legal action to enforce any provision contained within this Agreement it shall be entitled to recover from Lessee its costs and actual attorney fees incurred.
- 124. Notices. Any notice required to be sent to either party shall be considered to have been received by the other party if mailed by first class mail to the parties address as indicated in this Agreement. Either party may change his/its address for purpose of this paragraph by providing written notice to the other party of the change in address.
- <u>Miscellaneous.</u> This Agreement constitutes the entire understanding between the parties and there are no oral agreements and/or representations and this Agreement may not be modified except by another suitable instrument in writing signed by the parties hereto. This Agreement shall be construed in accordance with the laws of the state of Michigan. The above terms and conditions shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors and assigns of the respective parties.

NOTICE TO LESSEE: If you fail to make your required payments, you will have to vacate the hangar or your property may later be sold at a public sale. Before the sale, you will be notified by first-class mail or by electronic mail of the amount due. The notice will be mailed to your last known address. In order to preserve your right to be notified, it is important that you notify the Authority in writing of any change in your mailing address. Also, you should supply the Authority with the name and address of another person who can reach you if you are not at your mailing address, and the Authority will notify that person at the same time and in the same manner as it notifies you.
