GREEN TEAM/RECYCLING COMMITTEE MINUTES

Thursday, May 27, 2021
8:30 a.m.

Manistee County Courthouse & Government Center
Board of Commissioners Meeting Room

MINUTES

Members Present: Eric Gustad (Zoom, Filer Township), Nikki Koons (Zoom, Norman Township) and Margaret Batzer, Chairperson (Zoom, City of Manistee)

Members Absent: None

Others Present: Lisa Sagala, Administrator/Controller, Sarah Archer, Iris Waste Diversion Specialist; Renee Mallison, Manistee County Conservation District; Bruce Schimke, Maintenance Supervisor; Lindsey Marquardt, Chief Deputy Clerk

The meeting was called to Order at 8:32 a.m.

NOTE – Items requiring Board Action are indicated in BOLD

The County Board and its Committees are operating remotely and electronically by Zoom under the Manistee County Board of Commissioners Resolution #2020-17, which declared a Local State of Emergency through December 31, 2021 due to the COVID-19 pandemic.

PUBLIC COMMENT

None.

P.A. 69 RECYCLING UPDATE

Sara Archer presented the P.A. 69 Recycling Update Report of May 25, 2021. (APPENDIX A) There was a 51% decrease in volume for April 2021 compared to April 2020. Total program costs through April are \$5,105.18 higher than this time in 2020. A smaller volume of recyclable materials was delivered to the material recovery facility and collection costs were higher due to two occurrences of oil contaminated loads that required landfill disposal, equipment cleanup costs, and extra trips to complete the collection route. Discussion followed regarding ongoing contamination, signage at sites and ways to educate the public.

Ms. Archer will be speaking with the Manistee News Advocate regarding the Onekama site and will request that the reporter do a portion on the recycling of motor oil. Bruce Schimke indicated that there are several automotive stores that will take used oil. He will also reach out to Blarney Castle Oil to see if they accept used oil.

The EGLE Scrap Tire Grant event will be held on June 26 and September 25, 2021 from 10:00 a.m. to 2:00 p.m. Ms. Archer continues work to launch the Manistee County online "Waste Advisor" recycling directory. The target launch should be in early June. The \$5,000 Manistee County Community Foundation Limitless Fund Grant was awarded on April 28, 2021. These funds were to be used toward the cost of fencing for the new recycling site at the County Fairgrounds. There are concerns from the County Fairgrounds Board regarding use of that location for the relocation of the Onekama Township site. The committee will continue to look for alternative sites for the relocation and expansion of the Onekama Township site.

The Service Agreement for Extra Summer service with Area 31 Recycling & Disposal for additional recycling collection service expired on December 31, 2020. Area 31 Recycling & Disposal will provide the service for \$475 per week, per location: an increase of \$25 from the 2020 fee.

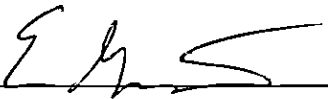

Moved by Gustad, seconded by Koons to recommend approval of the Service Agreement for Extra Summer Service with Area 31 Recycling & Disposal with the cost increase for the service to \$475 per week, per location. Ayes. All. Motion Carried.

The eight-bill Michigan Solid Waste Laws – Part 115 Amendments package that proposes changes to Michigan Solid Waste Law, or Part 115, HB 4454-4461 have been passed by the House of Representatives and are now being considered in the Senate. It has been 25 years since the State has called for counties to establish Solid Waste Plans.

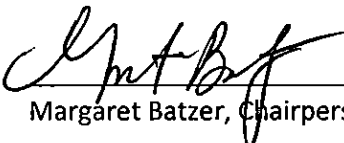

OTHER ITEMS FROM COMMITTEE MEMBERS

None.

The meeting was adjourned at the Call of the Chair at 9:14 a.m.

Education

- Monthly e-newsletter sent.

Grant Projects

- **EGLE SCRAP TIRE GRANT**
 - Upcoming events – Saturdays, June 26 and September 25, 2021 – 10:00 a.m. - 2:00 p.m. – Bay Area Recycling for Charities, Kaleva.
- **EGLE 2020 RECYCLING QUALITY IMPROVEMENT GRANT**
 - The launch of the Manistee County online "Waste Advisor" recycling directory has been delayed due to technical changes to the backside of the tool and the large amount of data input. The new launch target is early June.
- **MANISTEE COMMUNITY FOUNDATION LIMITLESS FUND GRANT**
 - The \$5,000 funding request was awarded on April 28, 2021. This grant will be applied towards the cost of fencing for the new recycling site at the County Fairgrounds and used toward match funding requirements of the EGLE Recycling Grant program application.
- **EGLE RURAL ELECTRONICS RECYCLING GRANT** – application period extended to July 2, 2021.
- **EGLE RECYCLING GRANT**
 - Application being prepared.
 - Two rounds of awards with application deadlines of June 16 and August 18, 2021.
 - Funds paid through reimbursement process.
 - Maximum request is \$1,000,000; minimum request is \$5,000. 20% local match funds required.

Operations

- Archer met with the County Fairgrounds Board to give an update on relocation of the site and inquired about the use of the County owned parcel off Jones Road as an alternate location. The Fairgrounds Board indicated that the Jones Road location is the campsite area for the Fair Board and the 4-H group and can not be considered as an alternate site. Archer is proceeding with obtaining quotes for site work to improve the John Street parcel and submitting a land use permit to Onkama Township Planning and Zoning.
- Service Agreement for Extra Summer Service
 - The service agreement with Area 31 Recycling & Disposal for additional recycling collection service expired on December 31, 2020.
 - Area 31 Recycling & Disposal will provide the service for \$475 per week, per location: an increase of \$25 from the 2020 fee.
 - An additional service day is needed for the Onkama Township site, June through Labor Day weekend.
 - An additional recycling bin is placed at the Arcadia Township site to accommodate extra summer volumes. The site also requires an extra service day on July 2 (Independence Day weekend), and July 23 (Arcadia Daze).
 - **DRAFT Service Agreement attached for review and approval.**

Other

- Michigan Solid Waste Laws - Part 115 Amendments
 - The eight-bill package that proposes changes to Michigan Solid Waste Law, or Part 115, HB 4454-4461 have been passed by the House of Representatives and are now being considered in the Senate.
 - The passage of these bills will improve recovery of materials to the benefit of the local and state economy, and the environment. **See attached, Modernizing Michigan's Solid Waste Laws infographic.**
 - It has been 25 years since the State has called for Counties to establish Solid Waste Plans. EGLE has suggested that updates to Solid Waste Plans will be called for whether the bills pass or not. Passage of the bills will provide sufficient funding to Counties to develop a Materials Management Plan, so it is in the best interest of Manistee County to express their support of these bills to Senator VanderWall.
