

FY 2020/21 GENERAL FUND BUDGET PROJECTIONS

Listed below is a projection summary of what the FY 2020/21 General Fund budget may look like based on limited information known at this time. The actual process of completing a FY 2020/21 budget will begin in April 2020, and will continue with final adoption by the County Board of Commissioners in August 2020. Various assumptions made to prepare this projection are also listed below.

PROJECTED FY 2020/21 GENERAL FUND REVENUES

1) Property Taxes =	\$6,524,857
2) State Reimbursement – Personal Property =	\$242,407
3) State and Federal Grants/Reimbursements =	\$1,341,900
4) Miscellaneous Fees, Rents, Fines and Reimb. =	\$1,677,395
5) Benzie Reimbursements (Wage/Fringe/OPEB) =	\$458,618
6) Transfer In – Other Funds (Tax Revolving fund, Fund Balance, Foreclosure fund, Drunk Driving Caseflow Fund =	\$550,940
7) State Revenue Sharing =	\$585,377
8) Casino Payment in Lieu of Taxes Grant =	\$233,102
TOTAL =	\$11,614,596

Revenue Assumptions:

- 1) Property Tax Revenues are estimated to increase 1.5%, however, this information is being projected approximately 1.5 years in advance.

- 2) State Reimbursement for Personal Property tax losses is estimated to remain as projected in FY 2019/20 budget, but is also being projected approximately 1.5 years in advance. It is also difficult to estimate how these reimbursements will be calculated at the State level.
- 3) It is estimated that State and Federal Grant reimbursements will remain stable or decrease slightly, except for CRP revenue which is expected to increase based on wage/fringe benefit increases being projected in the expense budget.
- 4) Fees, rents, and fines are expected to increase for FY 2020/21.
- 5) Reimbursements increase based on wage/fringe benefit expense projections.
- 6) To balance this budget, additional fund balance amounting to \$38,814 will be required. This is a decrease from the fund balance amount in the current FY 2019/20 budget. It is anticipated that this amount will be reduced to near zero when more detail is received during the actual budget process.
- 7) State Revenue Sharing is fully funded by the State of Michigan in FY 2019/20. It is assumed this will continue in FY 2019/20 with a 2% increase projected.
- 8) Casino Payment in Lieu of Taxes grants are projected to increase slightly since the taxable value of the casino is expected to increase. It is also anticipated that the 2% funds received from the casino will be sufficient to cover the Payment in Lieu of Taxes grant obligations.
