Recycling Guide

Manistee County Recycling Program

This guide is designed to provide Manistee County residents with alternatives to using landfills.

Another great resource for alternatives to landfill disposal is the Grand Traverse County Take It Back Directory located on the RecycleSmart website www.recyclesmart.info

The acceptance of materials at the locations listed in this guide is subject to change without prior notification. Call ahead to ensure the material is still accepted at the location. The information in the guide is updated as sources become available. If you are aware of businesses that take items for reuse, repurposing, or resale, or have corrections, or need more information please call 855-2Go-Zero.
